Dear Mark,

I hope this letter finds you well. I wanted to take a moment to express my deepest gratitude for what you did for me. I know words can hardly capture the impact of your actions, but I wanted you to know just how much your quick thinking and bravery meant to me.

On that day when I went into anaphylactic shock, I was terrified, unsure if I would make it through. But then you stepped in, staying calm under pressure, and used the EpiPen. It's no exaggeration to say that you saved my life. I cannot imagine what would have happened had you not been there, ready to help in that critical moment.

Your actions remind me that there are people like you in the world — those who are willing to step up without hesitation to help others in need. It's not just about what you did that day, but the kindness and compassion you showed in doing it. You turned a terrifying experience into a reminder of the goodness that exists in the world.

I want you to know that I will never forget what you did for me. It's hard to put into words the depth of my gratitude, but please know that I am forever thankful to you. You have given me a chance to continue living, to see my loved ones again, and to embrace life with a new perspective.

If there is ever anything I can do for you, please do not hesitate to reach out. I owe you so much, and I would be honored to be there for you in any way I can.

Thank you, Mark, for being there when I needed it most. You are truly a hero, and I am blessed to have had you by my side that day. There is a special place in heaven for heroes like you.

With all my gratitude and warmest wishes,

Mrs. Kimberly Dimo Prato

DIAL 911 FOR ALL EMERGENCIES

November 4th, 2024

Re: Letter of Commendation: TFPD Fire Chief Mark Norris

On October 10th, 2024 Chief Norris responded to 592 Glitter Gulch Ct. to provide medical aid to a party, Mrs. Kimberly Dimo Prato. Upon arrival, Chief Norris found Mrs. Dimo Prato in severe distress from multiple wasp stings and in anaphylactic shock. Quickly assessing the patient's dire situation Chief Norris administered life saving measures and stabilized her for transport to a medical facility.

The Board of Directors of the Tallahassee Fire Protection District wishes to commend Chief Norris for his quick, decisive action. His timely, rapid response to the location, his preparedness anticipating the medical emergency and his accurate assessment of the patients condition saved the life of Mrs. Dimo Prato. There is no question the outcome of this situation would have been very different had it not been for Chief Norris's professional, efficient response. Chief Norris displayed dedication, diligence and superior decision making in his response to this situation and not only quite literally saved this patient's life but also represented the Tallahassee Fire Department in an outstandingly positive light.

Thank you Chief Norris.
