

Tallahassee Fire Protection District Minutes of the Board of Directors Regular/Hybrid Meeting September 13, 2021

Scott Fullerton called the Regular/Hybrid Meeting to order at 2:00 p.m., on September 13, 2021.

Directors Present: Scott Fullerton, Brad Nelson, Christopher Parker, Cynthia Boyle, Harvey Ammel (All in-person @ TFPD Main Station. A quorum is present.)

Directors Absent: None

Firefighters/Volunteers Present: None

Public Present: None

Purpose of Regular/Hybrid Meeting: To discuss agenda items for the regular monthly Board of Directors Meeting.

PUBLIC INPUT:

No members of the public were present either in-person or by teleconference call.

SECRETARY'S REPORT:

Motion: It was moved by Cynthia Boyle and seconded by Harvey Ammel to approve the regular Board Meeting Minutes for August 9, 2021. There was no discussion. The Motion was voted upon and carried unanimously.

TREASURER'S REPORT:

Motion: It was moved by Christopher Parker and seconded by Scott Fullerton to approve the Treasurer's Report for August 2021. Chris discussed the Treasurer's Report. The District's cash position decreased during the month – with expenses outweighing income.

Chris spoke about opening an investment fund with either CSAFE or COLOTRUST (which are government sanctioned). He is currently leaning toward COLOTRUST due to no required minimum balance, is liquid next day, no FDIC, and invest in low-risk short-term bonds. Ninety-five (95) other fire districts invest with COLOTRUST. Chris will check for any hidden fees such as transfer fees, management fees, etc. We would keep a determined amount of funds needed for short-term cash flow in the bank; with any excess funds rotated into this fund. Chris would like to have the Board members email him with any questions concerning this investment fund. He will make a final recommendation at the October Board Meeting.

There was no further discussion. The Motion was voted upon and carried unanimously.

County Assessor's Certification of Values: Scott discussed the Certification received in August. Property values have increased significantly.

Internal Errors at Wells Fargo: Per Scott, significant internal errors at Wells Fargo have caused us to begin inquiries with other banks regarding moving our funds. We continue to receive preliminary information from several banks. Scott and Chris will make a final recommendation at the October Board Meeting.

OPERATIONS REPORT:

With the absence of Chief Norris, discussions concerning the Ops monthly report, challenge coin status, and other project status (completed and current) were tabled.

ADMINISTRATIVE ISSUES:

Q3 & Q4 Statutory District To-Do List: This list remains unchanged since the last submission. We must begin working on the FY 2022 District Budget and the FY 2021 Amended District Budget. The proposed FY 2022 District Budget must be submitted to the Board by October 15. Scott stated that the FY 2022 District Budget will be fairly comparable to this year's budget.

Motion: It was moved by Scott Fullerton and seconded by Christopher Parker to schedule a Study Session to review the year-to-date expenditures, the 2021 amended budget items, and the proposed 2022 budget at an agreed-upon date and time of the Board members before the October Board Meeting. In an effort for the Board members to check their calendars, the date and time will be agreed to offline with the appropriate Notice of Special Study Session prepared. The Motion was voted upon and carried unanimously.

Proposed Operations/Administration Decisions that Affect the 2022 Budget: Discussion included:

1. Recent legislation will not adversely affect our tax receipts for the 2022 budget process. However, it could affect tax receipts in 2023 and 2024. We will need to monitor this during 2022 and plan accordingly.
2. The service fee charged by the County for collection of taxes will be moved to a new account grouped with other fees.
3. We have sufficient history to include a very conservative estimate of budgeted income for Response Income In-District.
4. Continue the Freightliner Wildland Unit Lease.
5. Contingency funds should be allocated for day-to-day bookkeeping (paying bills, posting entries, etc.) in case we lose our volunteer bookkeeper.
6. We should replace the desktop version of the QuickBooks license with an online version.
7. By his own request, the Fire Chief's salary has remained unchanged since becoming the Fire Chief. The Board recommends a salary increase in 2022 to account for inflation and increasing demands for his time for official meetings and District activities.
8. Add Operations contingency funds for reimbursement of responder expenses. Policy details to be determined.
9. Acquire three district-owned computers, a printer and associated software.
10. Acquire two digital cameras, spare SD cards, etc., to ensure compliant collection, storage and retention of photographic records.
11. Retain Lexipol but augment it with policies from the District Counsel.
12. Due to potential EMT candidates, we need to increase our training budget.
13. Assess Board Member and the Fire Chief's insurance coverage and indemnification protections and make provisions in the FY 2022 Budget and FY 2021 Budget Amendment for any required changes if any gaps are discovered.

Motion: It was moved by Scott Fullerton and seconded by Christopher Parker to ratify the foregoing assumptions for the purpose of preparing the FY 2022 District Budget. There was no further discussion. The Motion was voted upon and carried unanimously.

FY 2021 Budget Revision: We will need to file an Amended Budget for FY 2021 due to Deployments Income and Expenses which could not be predicted in advance. We currently have fire personnel at out-of-state mega fires which are expected to burn through spring of next year.

Policies and Procedures Manual Revisions: There will be a revision based on suggestions for change from Scott and Chief Norris based on information accumulated from District Legal Counsel and other sources.

Strategic Plan Revisions: The current Plan ends in 2021. Scott is looking for volunteers and would like to obtain external views of what our strategic requirements should be. Harvey and Brad agreed to provide feedback.

Discussion of Latest COVID Trends & Associated Public Event/Meeting Format Effects:

Motion: It was moved by Scott Fullerton and seconded by Harvey Ammel to move to a hybrid format for upcoming Board Meetings until further notice, to post the appropriate Notice for this format change, and to cancel the October 23, 2021 Auxiliary Halloween Event – with future Auxiliary events to be determined on a case-by-case basis. Scott stated that the latest numbers indicate only 56% of Fremont County residents have been vaccinated and COVID hospitalizations are dramatically increasing. The Board is recommending the wearing of masks and social distancing for any public attending Board Meetings or events. After much discussion, the Board agreed to cancel the Auxiliary Halloween Event with future events to be discussed at a later date. The Motion was voted upon and carried unanimously.

Donations: The District received \$515 in unrestricted donations in August. YTD donations total \$3,995 -- compared to \$3,238 received YTD in 2020.

NEW BUSINESS:

2021 Holiday Stocking Stuffer:

Motion: It was moved by Cynthia Boyle and seconded by Harvey Ammel to proceed with the 2021 Holiday Stocking Stuffer and is looking for approval to purchase 3" x 3" customized acrylic 2021 Holiday Ornaments (quantity of 50) at a cost not to exceed \$400. Cindy reviewed the order form for the 2021 Holiday Stocking Stuffer. No additional inventory of any items shown is needed with the exception of the holiday ornament idea. Upon review, the Board agreed to the 2021 holiday ornament purchase and to promote it as a "collector's item." The target date for launching the 2021 Holiday Stocking Stuffer is October 1, 2021 – by email only. It will also be added to the TFPD website. The Motion was voted upon and carried unanimously.

At this point, Brad Nelson was excused and he left the Board Meeting at 3:30 p.m.
A quorum remains present.

OLD BUSINESS:

Open House Debrief: Scott shared the comments he received (both positive and negative) concerning the Open House. He will email these comments to the Board, Chief Norris and Misty.

Insurance Matters Update: Per Scott:

- State of Wyoming confirmation received. We are fully compliant.
- CSD Pool confirmed that all TFPD EMS personnel are covered.

Director's Reports: There was no discussion.

NEXT PUBLIC MEETING:

The next regular TFPD Board Meeting (in the hybrid format) is scheduled for Monday, October 11, 2021, at 2:00 p.m., at the Main Station.

MOTION TO ADJOURN:

It was moved by Christopher Parker and seconded by Scott Fullerton to adjourn the meeting at 3:52 p.m. The Motion was voted upon and carried unanimously.

Respectfully submitted by Cynthia M. Boyle, Secretary to the Board.
