

**Tallahassee Fire Protection District
Minutes of the Board of Directors
Regular Monthly Public Meeting & Public Hearing
November 14, 2022**

David Levy called the Public Hearing to order at 2:00 p.m., on November 14, 2022.

Directors Present: David Levy, Christopher Parker, Kristen Sanders, Tamara Becht, & Judith Schmidt
(In-person @ TFPD Main Station) A quorum is present.

Directors Absent: None

Firefighters/Volunteers Present: Chief Mark Norris (In-person @ TFPD Main Station)

Public Present: None

Purpose of Regular Monthly Public Meeting: To discuss agenda items for the regular monthly Board of Directors Meeting & to hold a Public Hearing for 2022 Amended Budget and 2023 District Budget

PUBLIC INPUT:

Notices were put in the paper for the Public Hearing for both topics, the 2022 Amended Budget and the 2023 District Budget and a Publishers Affidavit for proof of publishing from the Daily Record has been received.

David Levy began the Public Hearing with the following statement: "During the November 6, 2022 Special Session meeting, the Board approved the budgets for both the 2022 Amended Budget and the 2023 District Budget. This is a fluid process and as it moves along, changes can occur. The Board has been public and transparent regarding all processes related to the budgets. If amendments were made during every process, it would create confusion. The Board has acted well within the spirit of the law and with legal counsel. The district received more money since the last meeting and was able to achieve its goals. Consequently, the budget had to be adjusted and we were able to add a necessary project to it. It was made as transparent as possible to the public with any changes that occurred."

Public input, Three minute time limit per speaker

No members of the public were present.

Moving along with the Public Hearing, Christopher Parker discussed the changes to the 2022 budget for the 2nd revision. He stated that the district received more from deployments from the state since the last 2022 budget revision. \$45,000 was added to Capital projects. The mill levy figures were obtained and the budget was made accurate with the new figures. The station is in need of another truck before the end of the year if possible. A truck and Lifepac was reimbursed, including the freight to obtain the truck, by the county and this was reflected in the 2nd amendment.

Additionally, another tax check and an insurance refund were received since the last budget revision. All these changes were reflected in the 2nd amendment for 2022.

Chris stated that deployment revenue cannot be budgeted in for 2023 because the TFPD does not know how many deployments they will have or how much revenue will be received.

Motion: It was moved by David Levy to accept the 2nd amendment for 2022 Budget and to accept the 2023 District Budget. Tamara Becht seconded the motion. The Motion was voted upon and carried unanimously.

Motion: It was moved by David Levy and seconded by Judith Schmidt to accept Resolution 2022-022 to amend the 2022 Budget and Resolution 2022-023 to adopt the 2023 District Budget. The Motion was voted upon and carried unanimously.

The Public Hearing portion of the meeting has ended.

Discussion took place regarding the Auxiliary Committee and Funds and transferring the funds to the district rather than having its own account. David Levy stated that per the attorney, the district needed written permission to take over the controls from Chief Norris & Misti Smith, the Auxiliary Director to place it under TFPD but that it was no problem to do so legally. Chief Norris stated there was \$2500 in the account. The deposit will be noted as an unrestricted donation and the Auxiliary account will be closed. Dave and Chief Norris will meet at Wells Fargo at a future date to make this transfer and close the account.

It was discussed that Misti Smith should have a credit card on the TFPD account in order to purchase items for the Auxiliary committee when needed.

Motion: It was moved by David Levy and seconded by Judith Schmidt to add Misti Smith to the TFPD credit card with a \$1000 limit and give receipts of purchases to the treasurer. Christopher Parker will request this additional card for her. The Motion was voted upon and carried unanimously.

PRESIDENT'S REPORT

The additional command vehicle needed for the station was discussed. Chief Norris stated the truck found was a used 2016 Chevy Tahoe with very low miles. It was fully fitted with lights and sirens and a command center in the back.

Motion: It was moved by David Levy and seconded by Kristen Sanders to allow Chief Norris to purchase a replacement command vehicle up to \$45k.

The Motion was voted upon and carried unanimously.

The TFPD master database was the next topic addressed. It was mentioned that since the Fremont County computer system was hacked, they are starting over with their data. Their database was up to date before the crash. Their next update was due in November.

Chief Norris is getting emails as new addresses are added.

Kristen Sanders is keeping track of the emails in the master database. This database is used for donations and the mailing list. Kristen agreed to oversee the Communications email for the TFPD.

It was mentioned that there will be more community events next year. The auxiliary committee is planning on making Christmas wreaths to sell for donations at a suggested donation of \$35. If anyone in the public would like to purchase one of these wreaths or any TFPD merchandise, such as coffee mugs, note pads, hats, pens, or flashlights, they may do so by contacting Kristen at Communications@TalxFire.com.

The employment agreement for Chief Norris for the FY 2023 was the next item on the agenda. David Levy is having the attorney review it. Currently there are no changes or revisions for the upcoming year.

OPERATIONS REPORT

Chief Norris discussed the highlights of the October Operations Report:

- October had 6 incidents, bringing the YTD total to 108.
- Membership remains consistent.
- Currently working with two new Recruits bringing the total to 5
- There are 6 EMT's and 1 EMR
- Response times were 15 minutes and 20 seconds for October. 17 min 22 sec YTD

Chief Norris stated that the 6x6 truck was sold.

Deployments: Truck 331 returned November 3rd. Chief Norris stated there were 6 deployed in 2022 and may be able to have 10-12 deployed in 2023.

Kristen Sanders stated she may know of a volunteer to refer to Chief Norris and he is willing to do tasks around the station such as take out trash, wash trucks, etc. Chief Norris asked his age and stated he is willing to take volunteers under the age of 18 as long as he has written permission from the parents, and they are covered under the TFPD workers compensation insurance. Christopher Parker will inquire with the workers compensation contact.

Chief Norris stated the required in-service training will be completed this coming Wednesday, November 16th by the Chief and by the end of December for Brian Smith. A certificate of completion will be provided to Dave, and he will submit them to the attorney to complete that requirement.

Chief Norris also reported that 2 people were promoted in the last month. Falyn Smith was promoted to Medical Officer and Jim Rice was promoted to Training Officer. Congratulations to both Falyn and Jim for these new positions. We all wish you much success!

OLD BUSINESS

- Donations- \$15 in PayPal donations was received in the last month, as well as \$150 from the Craft Fair and a few address sign orders totaling \$60.
- Discussion of Colorado Firefighters Heart and Cancer Insurance Benefits- This task has been completed.
- Progress of signage for sign development project for King Meadows Station and Canyon Springs Station- David Levy stated that a donation of \$250 was given towards the sign so that left a remaining balance of \$550. Dave stated he will contact the printer and have the sign finalized.
- Holiday Stocking Stuffer update-Kristen Sanders suggested that this project could be incorporated into the auxiliary committee and that the remaining inventory could be sold at any upcoming events. She offered to use the 2022 Christmas ornaments available for sale and incorporate them into the Christmas wreaths the auxiliary committee is making, and it would add a very nice touch to them. The Board agreed. Everyone is welcome to help make the wreaths at the station on December 1, 2022, at 2pm.
- Update on Propane vendor situation- Christopher Parker is still reviewing this situation and it will be tabled until next month's meeting.

NEW BUSINESS

- Discuss continued value of, or the restructuring of, the present "To Do" list- After some discussion regarding the use of a formal To Do list, it was decided that each board member would keep their own list of items to complete and report the follow up as needed at the public board meetings.

No other items of discussion were presented.
