DIAL 911 FOR ALL EMERGENCIES

Dear Tallahassee Fire Protection District Residents:

The Board of Directors wishes to place a plaque at the Main Station honoring those who have made a substantial impact on our organization, or its predecessors over the years, from early Volunteer days to current District times. This would not only include those who have held positions in our organization, but also our staunch supporters over the years who have volunteered and helped in numerous ways. We especially appreciate input from those who remember our early days.

The Board of Directors is seeking your input. Do you know someone who played a key role in our history? Please take a few minutes and let us know his or her name and approximate dates of activity. Please include the position held, if any, and a brief description of the nature of his or her contributions. Use the Form below for your input and return to us at TFPD, P.O. Box 510, Canon City, CO 81215-0510 for our review and consideration. You can also send an email with multiple nominees (including the information below for each) to COMMUNICATIONS@TALXFIRE.COM.

Thank you for your assistance.
