

RECOGNITION NOMINEE FORM

Dear Tallahassee Fire Protection District Property Owners:

In August 2021, the TFPD Board of Directors/Recognition Committee placed a plaque at the TFPD Main Station honoring those individuals – both past and present – who have made a substantial impact on our organization – from early Volunteer days to current District times. We not only included those who have held positions in our organization, but also our staunch supporters over the past years who have volunteered and helped in numerous ways. It is our intent to continue to add names to this plaque at future TFPD Open House events.

The Board of Directors is now seeking your input. We especially appreciate input from those who remember our early days. Do you know someone who played a key role in our history? Please take a few minutes and let us know his or her name and approximate dates of activity. Please include the position held, if any, and a brief description of the nature of his or her contribution(s). Use the Form below for your input and return to us at: Tallahassee Fire Protection District, P.O. Box 510, Canon City, CO 81215-0510 for our review and consideration. You can also send an email with multiple nominees (including the information below for each) to: **COMMUNICATIONS@TALXFIRE.COM**.

Thank you for your assistance.
